RE: ITB #7160/LOADER/BACKHOE

J 95-05-09

The application for the purchase of a loader/backhoe by the Street Department is for the replacement of an existing 1985 model. The present model is ten years old and as used on a daily basis has experienced high maintenance and repair costs. In addition, frequent break downs has caused delays in paving operations.

If you have any questions, please feel free to call me at 427-1235 ext. 5141.
